

Biography: Alison Stokes
Air Quality Division
Texas Commission on Environmental Quality

Current Position

Alison is the State Implementation Plan (SIP) Team Leader in the Air Quality Planning Section.

Prior Experience and Education

Alison received her bachelor's degree in Environmental Geography from Colgate University in upstate New York. She then went on to study environmental law at Vermont Law School. In 2015, Alison joined the Texas Commission on Environmental Quality as the program manager on the Mobile Source Programs Team in the Air Quality Division. In 2017, she moved to the SIP team as a project manager where she worked on planning and developing Houston-Galveston-Brazoria area and mobile source related SIP revisions. She became the SIP Team Work Lead at the beginning of 2019 and then SIP Team Lead in 2022.
